Mt. Pleasant Medical Clinic

Dear Patients,

We want to provide an update on an important policy update at our clinic and extend our sincerest gratitude for your ongoing support and trust.

The Alberta Health Care Insurance Plan (AHCIP) covers most services, however many are not covered. In the past mostly provided these uninsured services for free, absorbing the cost personally. We are simply no longer in a position to continue to do that. **As of January 1st, 2025 we will start charging for all uninsured services not covered by AHCIP (Alberta Healthcare Insurance Plan)**

This decision was made to keep the clinic open, and help offset rising rent, wages, insurance and other overhead expenses.

We are pleased to offer two payment options:

The 356 Annual Plan

This option covers you for the most common uninsured services for an entire year, offering a big saving when compared to Pay-As-You-Go, and saves us lots of expensive admin time.

Pay-As-You-Go

If you choose this option, the front desk staff will generate an invoice for each service, and collect payment.

We strongly encourage you to consider enrolling in our Annual Plan, as your participation will contribute to the stability and future viability of the clinic. We understand that individual circumstances vary, and the choice is entirely yours. Rest assured, your status in the clinic will not be affected by your decision.

We kindly ask you to review the services and pricing detailed on the back page and fill out the accompanying form. Should you have any questions or concerns regarding this update, please do not hesitate to reach out to us. Your satisfaction and well-being remain our top priority.

Thank you & Warm regards,

The Doctors & Staff of Mt. Pleasant Medical Clinic
